

Danville Children's Guild raised \$11,000 for NephCure Danville at our annual Poker Party Spring Fundraiser in May 2015.

Ladies,

You are one amazing group of women. Tucker and I are again blown away by your compassion and energy for helping the children of your community. We are eternally grateful for all you have done for NephCure Danville. What you delivered to us today is truly beyond anything we could ever have imagined. \$11,000!!!! This is an incredible gift to the children in our community who are faced with this very tough diagnosis. These children, and the families that support, them will be so grateful to you for the love and comfort this program will deliver. We have no doubt your gift will continue to impact this world as we bring each of these patient families, and so many new supporters into our ongoing fight to deliver much needed improvements in treatment options and a CURE to those with Nephrotic Syndrome.

On behalf of Wilson and ALL the families in our situation and on behalf of NephCure Kidney International, we thank each and every one of you. We are sincerely humbled by your gift.

Thank you so much. Love and health and good energy to all of you.
